Cheque payments can also be sent directly to me, or Ian Boak, at the addresses below. It would be of great assistance if you could also supply a mobile phone number and e-mail address, if you have one, to enable us to update the club membership records, and assist with future communications, and reduce postal costs.

Please note: Our Bank Account for Standing Orders, or Electronic Bank transfer payments, is:

Bank:	Cumberland Building Society
Sort Code:	16-52-21
Account Name:	SBGC Course & Machinery A/C
Account Number:	54247129

If you pay by Standing Order or Electronic Bank Transfer please add your name as a reference, then notify me after completion, either by e-mail, telephone or mobile (details below) in order that we can issue the fixture book and members bag tag labels. These will then be available for collection at the clubhouse, on any of the collection evenings or when the bar is open, at lunchtime on Wednesdays, Saturdays or Sundays.

Income, as always, remains a determining factor in maintaining a successful golf course, but as long as our membership numbers remain healthy, and we continue to promote, encourage and welcome new members, we will succeed in our endeavours.

Our partnership with St. Bees School is working well, in supporting our Green keeper, and with the assistance of a dedicated team of volunteers, further course improvements are in hand.

Please feel free to visit our Golf Club website, www.stbeesgolfclub.co.uk for all club related news.

Happy Golfing,

Yours Sincerely,
