Dear Member,

We hope you are well and keeping safe, and once the current Covid pandemic restrictions are lifted on Monday 29<sup>th</sup> March, we see you once again on the course at St. Bees Golf Club. We appreciate how frustrating it has been for everyone not being able to play the sport we all enjoy.

As a committee it is our responsibility and duty, to you as members, to ensure our Green keeper has the necessary machinery and materials to maintain and improve the course to the highest possible standard along with the servicing of the club house and systems required for competitive and social golf consistent with England Golf requirements.

Unlike most golf clubs, not only in Cumbria, but across the UK, where fees have been increased, we at St. Bees Golf Club will not be increasing the fees for the 2021 season. This is to recognise the challenging times we find ourselves in. The Committee sees our role as not just providing a golf course to a good standard but also being able to play a part in bringing back some level of normality within St. Bees and surrounding area, and the long-term sustainability of the golf club, for the benefit of all, depends on your continuing support, by renewing your 2021 membership.

Your committee recognises in these difficult times some of our members may have been financially disadvantaged through no fault of their own as a consequence of the Covid pandemic. The club will do its utmost to support these members on an individual basis. If you feel we can help, please contact our club secretary, for confidential consideration.
